All 6 kits were assembled!

For I was hungry and you gave me something to eat;
I was thirsty, and you gave me something to drink.
I was a stranger and you invited me in.

Matt. 25: 35-36

As many of you have heard, Rutland will be a Vermont refugee resettlement site and is working with the Vermont Refugee Resettlement Program to resettle 20 - 30 Syrian families beginning this fall.

A committee of interested citizens here in Middlebury and surrounding areas (calling ourselves the Middlebury Area Refugee Resettlement Committee) will be helping to support the Rutland community in the resettlement effort. This will be a cooperative and collaborative effort across towns, communities, and groups in the area.

Let's work together!

Work as a family, group of friends or rally a team to gather items on the other side of this flier. While some of the items in the kits need not be new, they should be in top working condition and looking good. Get creative with the packaging and personal touches that you add to each kit! When your kit is complete, let your contact person know and they will arrange for pick up. Or, simply contact one of the people listed at the bottom of this flier.

This is a terrific opportunity to share our blessings!

Thank you, in advance for your work!

For kit pick up or to be added to the email list for updates from the Middlebury Area Refugee Resettlement Committee, please contact:

Abi Sessions (abi.sessions@gmail.com), Barb Wood (b7wood@gmail.com), Pat Chase (patchaseact@gmail.com), or Lisa Rader (lrader@pahcc.org)
