Chalice Lighting by Claudene (Deane) Oliva

We light this chalice for mothers and mothering;

-to celebrate those who have taken on the task of nurturing

a young one - baby, child, or youth - into adulthood;

*-to celebrate those who have nourished the light of truth and
compassion in growing minds and hearts;*

*-to celebrate those who have committed time, money, energy
to the growth of others in this world.*

We light this chalice to celebrate and hold dear this flame of love.
